

Immunizations in the Childcare Setting

Get ready for enrollment season!

Two credits will be issued through the Nevada Child Care Registry.

The Immunization Child Care Program at Southern Nevada Health District is offering free immunization training. A registered nurse will provide information on:

- Health permit immunization requirements in child care centers
- Importance of immunizations in the childcare setting
- Issues (i.e. exemptions)
- Reading immunization records

July 28, 2015
